[Sending Your Official Transcripts a](#)

US and English-Canadian Transcripts

Last updated: Oct 31, 2023

Table of contents

02:02

Requirements

- Transcripts must be sent to CASPA from all US and English-speaking Canadian institutions you listed in the **Colleges Attended** section of your application, even if the courses later transferred to another institution or you were dismissed from the institution for any reason. We cannot process your application without receiving all of your transcripts.
- Do not send foreign transcripts (non-US/non-English-Canadian). This includes transcripts from Caribbean and French-Canadian schools. We cannot accept these documents and they will be destroyed. See the **Foreign and French-Canadian Transcripts** section for more details.
- Transcripts must be original. Transcripts that are photocopied, faxed, on file at a career center or Interfolio, etc. are not accepted.
- Transcripts must be addressed to CASPA. Transcripts addressed to you, a program, school, or any address other than CASPA are not accepted.
- You can request transcripts electronically or by mail. If sending transcripts electronically, you must use one of the electronic transcript vendors below. If sending transcripts by mail, they must be mailed directly from your registrar. For security purposes, we cannot accept transcripts mailed by you or anyone other than the registrar. If anything on your transcript indicates that it was issued to the student, picked up by you, or mailed to any address other than CASPA, your transcript will be rejected and you will need to send a new one.
- In rare occurrences where a school's computer system can only include the applicant's name in the transcript's Issue to field, instruct the registrar to mail the transcript to CASPA and include a letter stating the registrar's policy for addressing transcripts. Transcripts will not be accepted without this letter. Additionally, the transcript cannot have an "Issued to Student" or "Student Copy" stamp and cannot be picked up by the applicant.

How to Send US or English-Canadian Transcripts

1. Enter your colleges or universities in the **Colleges Attended** section before requesting any transcripts.
2. Click **Order** under each school listed.
3. Select if you are ordering an electronic transcript (recommended) or submitting a transcript via mail. You only need to submit one transcript from each school regardless of the number of programs you're applying to.
 - Some schools are part of a college district (e.g., Maricopa County Community College District, San Diego Community College, San Mateo Community College District, etc.). If you attended more than one college in a college district, you only need to order one transcript for all colleges (e.g., the San Mateo Community College District transcript includes all coursework from Cañada College, College of San Mateo, and Skyline College).
4. If ordering an electronic transcript, select the electronic transcript vendor and follow the prompts. Review **Sending Transcripts Electronically** below for more guidance.
5. If submitting a transcript via mail, click **Download Transcript ID Form** and print the form. Review **Sending Transcripts by Mail** below for more guidance.
6. Click **I Ordered My Transcript** once you either requested an electronic transcript or downloaded the Transcript ID form. Or, click **I Will Do This Later** to return to **Colleges Attended**.
7. Follow up with your school(s) to ensure that your transcripts were mailed, and obtain the date they sent them. Be aware that processing times vary by school and may take longer towards the end of a semester. Some schools may not send your transcript until the semester is over.
8. Monitor the **Check Status** page to ensure your transcript is received. On average, it takes up to five business days for your transcript to post to your application from the date we receive it. If your transcript is not posted after this timeframe, review the **Posting Delays** section below.

Sending Transcripts by Mail

1. Contact the registrar at each institution you attended and request one transcript be sent to CASPA.
2. Provide the registrar with the following items:
 - CASPA Transcript ID Form. Ask the registrar to attach it to your official transcripts. This form is not required, but strongly recommended as it helps ensure your official transcripts are properly matched to your application. If you cannot use this form, make sure the registrar prints "CASPA" and your full CASPA ID number on the transcript before mailing it.
 - Any school-specific forms required by the registrar.
 - Any transcript fees required by the registrar.
 - All information needed by the registrar to properly identify you in the school's database.
 - Any name changes.
 - Your CASPA ID number.

Your registrar should mail your paper transcripts to the following address:

CASPA Transcript Processing Center
PO Box 9108
Watertown, MA 02471

We are not responsible for any materials lost in the mail or delays caused by the Registrar's Office. Express or certified mail does not guarantee faster processing or receipt.

Sending Transcripts Electronically

Please note that electronic transcripts are not the same as emailed transcripts. We cannot accept transcripts sent via email.

CASPA only accepts electronic transcripts from Parchment and National Student Clearinghouse. If your school does not offer any of these services, your transcript must be sent by mail.

If your school requires that you use a service other than Parchment or National Student Clearinghouse, you should ask that service to mail the transcripts instead of sending them electronically. Since you cannot include the Transcript ID Form, you should include your full CASPA ID number when entering the CASPA mailing address.

When using any of these services, select CASPA as the recipient. If you can't select CASPA and instead are asked for an email address, your transcript must be sent by mail. Do not send your transcript to the CASPA customer service email.

Parchment

Confirm that your school offers the [Parchment service](#). If your school is not listed, your transcript must be sent by mail. If your school is listed, follow the instructions to proceed. Once your transcript is requested, it takes up to five business days for it to post to your application. If your transcript is not posted after this timeframe, contact Parchment directly to confirm the order was completed, then contact customer service.

National Student Clearinghouse

Confirm that your school offers the [National Student Clearinghouse service](#). If you attended Geneva College or Geneva College Portage Learning, review their [transcript guidelines](#) before you order transcripts.

If your school is not listed, your transcript must be sent by mail. If your school is listed, complete the following:

1. From the menu bar, click **Order-Track-Verify > Order a Transcript**.
2. Enter the school you wish to order a transcript from, then click **Continue**.
3. Click **Order Transcript**.
4. Follow the prompts and enter the required information.
 - When selecting the recipient (i.e., **Who are you sending your transcript to?**), select **Educational Organization, Application Service and Scholarships**.
 - When entering recipient details, select **CASPA** from the **Select Organization** drop-down, then enter the **CAS Transcript ID**. This ID is located in the CASPA on-screen instructions when ordering electronic transcripts and below the barcode on the Transcript ID Form issued to you by CASPA (the barcode is located in the upper right corner of this form). Note that in the **Select Organization** drop-down, CASPA may be listed with an association name, such as in the example below.

Example:

The screenshot shows a web form titled "Recipient" with a subtitle "All fields required, unless otherwise indicated". Below the title is a paragraph of text: "According to the Family Educational Rights and Privacy Act (FERPA), in certain instances, schools must obtain the student's permission in order to release information from his or her educational records. The type of consent form that is required is determined by recipient type." There are three input fields: 1. "Who are you sending your transcript to?" with a dropdown menu showing "Education Organization, Application Service and Scholarships". 2. "Select Organization" with a dropdown menu showing "American Association of Colleges of Nursing (NursingCAS)". 3. "Enter CAS Transcript ID" with a text input field and a question mark icon to its right.

If the **Enter CAS Transcript ID** field does not appear, then your transcript cannot be sent to CASPA electronically.

Once your transcript is requested, it takes up to five business days for it to post to your application. If your transcript is not posted after this timeframe, contact CASPA customer service to confirm the order was completed.

Please note that use of these services does not expedite the processing of transcripts.

Posting Delays

If your transcript has not posted within five business days, first contact your school to confirm that they sent your transcript. Additionally, the following scenarios can cause delayed application posting/processing and

should be avoided whenever possible:

- A transcript is not accompanied by a Transcript ID Form or is accompanied by the incorrect form.
- A transcript is not addressed specifically to "CASPA."
- A school you attended is missing from the **Colleges Attended** section. We cannot attach a transcript to your application unless the school is listed.
- An incorrect school name is listed in the **Colleges Attended** section. We cannot attach a transcript to your application until it is corrected.
- The name on a transcript cannot be found in the CASPA database, either because your name changed, was misspelled on the transcript, was misspelled on the application, or you have not yet created your CASPA account.

Rejected Transcripts

The following scenarios can cause transcripts to be rejected and should be avoided whenever possible:

- A transcript is unofficial, marked as student-issued, or is addressed to someone other than CASPA.
- A transcript is missing pages or was severely damaged in the mail.
- A document received by CASPA is not a transcript.
- An incorrect transcript was received; this can occur when another student at your school has the same or similar name and you did not provide enough information to the registrar when you requested your transcript. Be sure to provide your schools with as much information as possible so they can properly identify your records.

Closed Schools

If your school closed, you must confirm that your academic records can still be obtained. Review your school's website to learn if another school holds their academic records or contact the [state licensing agency](#) where your school was located to learn whether the state made arrangements to store the school's academic records. If your transcript is available, you must have it sent to CASPA. If your transcript is no longer available, contact customer service.

Accessing Your Official Transcripts

As per the Family Educational Rights and Privacy Act (FERPA) of 1974, we cannot release official transcripts received by CASPA to any third-party, including the applicant. Additionally, you cannot access official transcripts in the CASPA application or full application PDF.

If you would like to have a copy of your official transcript, contact your registrar and send a transcript to yourself.
